God places the lonely in families

PSALM 68:6

Temcare is a 'not for profit' Christian agency that provides a range of services for disadvantaged families within the Victorian community.

As Temcare does not receive any Government funding, it is primarily reliant upon the generosity of financial donations from individuals, churches, businesses and charitable trusts.

Initial enquiries about Temcare's services and the referral process can be made by contacting our office on (03) 9877 7729. We would love to speak with you.

All referrals must be made by either forwarding the appropriate referral form to our postal address P.O. Box 2624 Ringwood North Vic 3134, or alternatively by email or by submitting it online from Temcare's website www.temcare.org.au

Because Temcare is a 'Child Safe' organization and to ensure the 'Child Safe' standards are maintained , all volunteers are comprehensively assessed and are required to obtain a current 'Working with Children Check' and to submit to a national criminal history check.

General Support

Respite Care is available for children, aged up to 15 years, for 1-2 nights every 4-6 weeks. Temcare connects families-in-need with Christian carers.

All Temcare respite carers are comprehensively assessed and are required to obtain a current 'Working with Children Check' and to submit to a 'National Criminal History Check'.

Our staff members work closely with our networks of supportive local churches, businesses and individuals to provide families with stability, safety and care.

Our family support services cover general disadvantaged situations, families of prisoners, single parents/young struggling families and crisis pregnancy situations.

Temcare Camps: Free School Holiday Camps are provided for disadvantaged adolescents. Temcare hold an annual Family Camp for families in our programs.

The volunteer brings his or her life experiences to the mentor/mentee relationship and seeks to assist the young person with general life skills, forming positive social networks, exploring constructive lifestyle options, and making positive career choices.

All Temcare volunteer mentors are comprehensively assessed and are required to obtain a current 'Working with Children Check' and to submit to a 'National Criminal History Check'.

An annual camp is organized for adolescents and their mentors. This event provides opportunities for mentors and mentees to further consolidate their relationships and to explore matters of faith for those interested in doing so.
